Subject: Edusys Services Pvt Limited - unauthorized registration of domain name
<ScrumAllianceTraining.com>

Alan, late last year and earlier this year we addressed your client's use of CERTIFIED SCRUMMASTER. It appears your client continues to push the limits in trading off of the goodwill of the Scrum Alliance, as it has come to my attention that Edusys Services Pvt Limited – which appears to be the same as, or directly related to, ScrumStudy – has improperly registered the domain <scrumalliancetraining.com>. Indeed, Edusys appears to be a provider of education and training services and is also the owner of the domain/website www.scrumstudy.com and an affiliate of VMEdU Inc. (www.vmedu.com). Please see screenshots of ScrumStudy's, Edusys's, and VMEdU's websites set forth below.

I'm not looking for much back and forth here, as your client has clearly registered a domain that it should not have. I'd like your client to cooperate in an immediate transfer, and I want assurances that this behavior will stop. Please confirm that you can facilitate this, and soon. I will then have the domain name transfer initiated. Kindly reply by the end of the week.

Thanks.
